APPLICATION FORM **S-2**  
For Enrolled Agents Residing in California

Established in 1984 by outgoing President Nancy Nesbitt, EA, the Scholarship Fund has awarded tens of thousands of dollars to worthy students to assist them with their education, particularly to promote the Enrolled Agent profession as a career choice.

In January 2008, the CSEA Education Foundation was formed as a 501(c)(3) entity, and thereafter awarded a total of more than \$7,000 to 15 students; over the past seven years, more than \$115,000 has been awarded to 262 deserving students.

Scholarship Awards are funded through the generosity of personal donors and by sponsors, donors, and bidders of the Society's annual Scholarship Auction. With the establishment of the new California Society of Enrolled Agents Education Foundation, Inc., donations to the Foundation's Scholarship Fund are now tax deductible.
